<i>Pre-K** (four year old preschool)</i>	\$110.00	\$80.00	\$165.00	N/A	N/A	N/A

Preschoolers may take two weeks off during the regular school year. These weeks must be chosen from Thanksgiving week, Christmas weeks, or Spring Break. If attending over the summer, you may take one week off and pay half tuition for that week. Other than those weeks, full tuition will be due each week, regardless of whether your child attends school or not. No reduction in fees is given for sickness, vacations, holidays, or inclement weather days.

**If you stop attending and then wish to re-enroll, a new registration fee will be due. Supplies include arts/crafts, paper products, medical needs, games/activities, snacks, insurance, tissues, gloves, clean-up, etc. School in the Pines never asks parents to participate in FUND RAISERS.*

****We look at the age of child as of September 1st. The class stays together during the school year and moves as a class the following year. Three year olds must be potty trained or will pay two year old tuition and be placed in that class until out of diapers.**

*****Fewer than five days a week must be approved by director. Part time days must stay the same each week. Switching days may cause our class to be out of ratio. Some days may not be available as a part time week.**
